SUMMARY

Information Technology student with a strong focus on Artificial Intelligence and Cybersecurity. Currently conducting advanced research on Cross-Platform Behavioral Biometric Authentication using Federated Learning. Active Google Student Ambassador with practical experience in mobile development (Flutter/Android) and system integration. seeking opportunities to apply skills in AI/ML and software engineering.

EXPERIENCE

Google Student Ambassador

09/2025 - Present

Google Indonesia

- Organized and facilitated on-campus tech events to build a developer community, effectively bridging the gap between Google's ecosystem and the student body.
- Spearheaded educational social media campaigns focusing on Gemini AI, creating practical tutorials and use-cases to increase AI literacy among university students.
- Achieved "Rising Star" status, selected as the top 200 out of 800+ ambassadors nationwide based on exceptional performance in content creation and campus event organization.

Administration Staff

05/2023 - Present

PT Perdana Megajaya ↗

- Orchestrated end-to-end inventory and logistics management, including scheduling shipments, issuing travel documents (Surat Jalan), and ensuring 100% accuracy in stock recording.
- Collaborated cross-functionally with the Marketing team to align production output with delivery schedules, ensuring "ready stock" availability for on-time customer fulfillment.
- Conducted quality control and data reconciliation, matching raw material usage with production output quantities to minimize discrepancies and waste.
- Managed operational resources and administration, including petty cash oversight, employee attendance tracking systems (fingerprint), and procurement of essential facility supplies.
- Supervised factory workflows, monitoring employee progress and maintaining operational standards to ensure smooth daily production cycles.

Liaison Officer National and Asian English Competition

10/2021 - 03/2022

BINUS University English Club ↗

- Acted as the primary point of contact (PIC) during the competition, ensuring smooth communication between the organizing committee and participants.
- Hosted and facilitated each round of the debate competition, maintaining a professional and engaging atmosphere.
- Coordinated with the committee to address participant inquiries and resolve any issues promptly.
- Ensured the competition ran smoothly in every round by managing schedules, participant flow, and adherence to competition guidelines.

EDUCATION

Information Technology Universitas Utpadaka Swastika - Bachelor Degree Current GPA on the 5th Semester 3.94 Night Class schedule (Kelas Malam)	09/2023 - Present
Science & Math (Matematika dan IPA) SMA Strada St. Thomas Aquino - High School Graduated with 86 accumulative score	07/2018 - 07/2021

CERTIFICATES

Sertifikasi BNSP Junior Mobile Programmer Badan Nasional Sertifikasi Profesi (BNSP) Credential ID : 62019 2514 4 0031299 2024	10/2024 - 10/2027
